

Hero

SINCE 1886

GASTRONOMIQUE

Our concentrated fruit compound has everything you love about real fruit in a quality dessert ingredient that is as convenient as it is delicious. You can use Hero Compounds to flavor batters, creams, custards, cream cheese, ice cream and gelato made from scratch in the kitchen of any hotel, restaurant or other business. You will never run out of interesting new ways to use. Throw a little Hero compound into any dish you want and you've instantly got powerful, natural fruit flavors that will impress all your clients and guests. The convenient resealable container makes it easy to use in large or small quantities. They come in a large variety of 14 flavors and a little bit will last you a very long time.
